# General Information and Selling Policies

## Order acceptance

All orders are required in writing and are subject to acceptance by RIVIERA. No salesperson, agent or representative is authorized to change these selling policies or terms and conditions of sale. Only the specifications, terms and conditions contained in accepted orders shall be binding upon the parties, regardless of buyer's order form listing variances as to specifications, terms, or conditions.

## Delivery time

Production orders take approximately 6 weeks to ship, after receipt acknowledgment of order, and approval of credit. Actual ship date may vary 2-4 working days for freight consolidation.

Without any unexpected delays in transportation, products should be delivered in 8 weeks.

RIVIERA is not liable for delay or failure to ship by the acknowledged date, either for transportation performance, or any cause which is not in RIVIERA's control.

## Quotations

Unless specified otherwise, all quotations are valid for sixty (60) days from date of issuance.

## Acknowledgments

RIVIERA sends acknowledgments on all orders. Be sure to read these acknowledgments and contact us immediately if incorrect.

Our acknowledgment of accepted order takes precedence over buyer's purchase order. Any error or discrepancy on acknowledgment must be reported to RIVIERA in writing within three (3) working days of acknowledgment date.

Changes to order at customer's request may result in additional charges based on costs incurred by RIVIERA. Once production has started, changes will not be accepted.

## Phone orders

RIVIERA cannot be responsible for errors made on phone orders if written confirmation has not been received. Duplicate orders not marked "Confirmation" are the responsibility of the customer.

## Cancellations

Orders cannot be canceled without the written consent of RIVIERA. Charges may be applicable based on costs incurred by RIVIERA. Special or custom orders are not subject to cancellation.

## Shipping

All merchandise whether shipping collect, prepaid/charge or delivered pricing is shipped F.O.B. origin, which means that ownership and the responsibility of the merchandise becomes that of the buyer upon delivery to the freight company.

All orders not qualifying for RIVIERA's delivered pricing will be shipped freight collect unless specified to be prepaid. On advance payment orders add 15% of total order for shipping. Remaining balance will be credited or invoiced to your account.

RIVIERA determines the method of transportation and the routing of shipment. RIVIERA may make partial shipment and invoice as shipped.

## Delivery charges

Any charges arising from failure to meet a shipment, rerouting while in transit, or carrier storage charges are not included in prices shown.

## Damaged merchandise

RIVIERA furniture is carefully inspected, protected with well-engineered packaging, and expertly loaded onto the trucks at our distribution center. All shipments leave the factory in good condition.

However, if merchandise is damaged in transit, do not refuse shipment, as RIVIERA is not responsible for damage to goods which occur in transit or storage.

RIVIERA is not responsible for the condition of product that is stored or installed in an environment where temperature and humidity are not controlled.

## Freight claims

RIVIERA shall not be liable for loss or damage to merchandise which occurs in transit. It is the customer's responsibility to examine shipment upon receipt. Any damage or shortage should be noted on the bill of lading. The delivering carrier may not accept responsibility for shortages or damages if signed for "clear". Notification of concealed damage claims must be made in writing to the delivering carrier within five (5) days after delivery. Carrier liability ceases after 5 days and carrier will not be responsible for concealed damages if shipments are left unopened.

If other than standard common carrier is used at customer's request, customer shall be responsible for any and all damages arising therein.

The manufacturer does not assemble nor install its furniture and is not responsible nor liable for such assembly and/or installation.

If you receive a product that is freight damaged, the following steps must be taken:

- 1) Before signing for the merchandise, make careful notation of all damages on the freight bill (bill of lading).
  - 2) Immediately file a claim with the delivering carrier. Request an inspection by the carrier agent.
  - 3) The claim must be filed within five (5) days of receipt of goods.
  - 4) Retain all shipping cartons for inspection by the carrier agent.
- For concealed damage, follow steps 2) through 4).

## Returns

No merchandise may be returned without RIVIERA's prior written consent. In the event of an authorized return, a restocking charge of 30% plus duty and brokerage, if applicable, will apply. Return transportation charges must be prepaid. Unauthorized returns will not be accepted and will be returned freight collect.

All merchandise being returned must be properly packaged in its original packaging or comparable replacement packaging to ensure protection of the product during handling and transportation. Product being returned where RIVIERA has authorized its liability for replacement or repair will be thoroughly inspected on its return. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

Special or custom orders are not subject to return.

## Storage

If customer requests postponement of delivery for any reason when RIVIERA is ready to make shipment, RIVIERA reserves the right to transfer the merchandise to storage at customer's risk and expense. Such transfer to storage will be deemed delivery to customer for all purposes including invoicing and payment.

## Terms of sale

2% - 10 days, net 30 days. RIVIERA may cancel or change the terms of sale at any time based on the credit rating for the specific customer. Payment in advance may be requested at discretion of RIVIERA.

Terms are net and cash discounts are not applicable.

Federal, state, provincial, municipal, sales or other taxes are not included.

## Prices

List prices include delivery to one destination, unless otherwise specified and are subject to change without notice. Installation and/or storage costs are not included in prices, unless otherwise specified.

Prices listed are suggested retail.

## Deposits

Any special or custom order, or order with modification to our standard product will require a 50% deposit. Any order exceeding customer line of credit will require a deposit for the difference.

## Changes to product

RIVIERA reserves the right to make changes in materials, equipment, specifications and designs and to discontinue models without notice at any time.

### **Weights and dimensions**

All weights and dimensions listed are approximate.

### **Fire and Building Codes**

RIVIERA considers its series as portable furniture, subject to local fire and building codes. Installation and use of the furniture in accordance with all local, applicable codes is the responsibility of the customer.

## **Care and Maintenance**

Care must be exercised whenever cleaning materials constructed of wood or leather. Certain precautions will keep new furniture looking new.

Wet objects should be placed on coasters and writing should be done on a desk pad. Sharp metal objects such as spring binders and briefcase hinges should be kept from contact.

Contact between finish and certain plastic compounds may result in discoloration and finish damage. Avoid exposure of furniture to extremes of heat or cold.

Avoid exposing the furniture to strong sunlight. Although RIVIERA finish is as fade proof as possible, the veneer beneath the finish can change color due to sunlight.

### **Wood finishes**

Dust all surfaces frequently with a clean, soft, damp cloth, moving the cloth with the grain. General purpose dusting treatments should be applied as required by using a clean dry cloth.

Do not use spray polishes or those containing silicone. Spray polishing products such as "Pledge" or "Endust" are discouraged on RIVIERA furniture because use of these products may result in an oily build up.

### **Maintenance**

To maintain proper operation of the drawer suspension, lubricate the area housing the ball bearings every three to six months with a high quality petroleum jelly type lubricant.

To ensure correct drawer alignment, your desk or credenza must be leveled. Check to see that unit is level and adjust the glides if necessary.

## **RIVIERA WARRANTY**

RIVIERA warrants its products to be free from defects in material and workmanship for as long as the original purchaser owns them.
